inside!

Over 200K children per year take part in LMT sessions in early years settings.

Successful 2021 pilot of LMT in Caerphilly - we are moving forwards Choo Choo!

We have 30 years extensive experience in early years expertise to share with you and your team

LMT has even been taking children on adventures in Butlin's since 2017 on their "Just for tot's" breaks.

LMT is in over 100+ settings in Wales alone, including Swansea, Bridgend, Neath Port Talbot, Merthyr Tydfil, Rhondda Cynon Taf, Caerphilly and Monmouthshire.

Hello and welcome to Littlemagictrain™, a movement based learning platform to engage your team and children

Young children are kinaesthetic learners and they need to move to learn! We have combined elements of music, make-believe and movement to give you a multi-sensory approach, to reach all your children.

Perfect for all children including those with additional learning needs. Best of all, the sessions give your setting so many different opportunities for learning through play and the fun of “What next?”

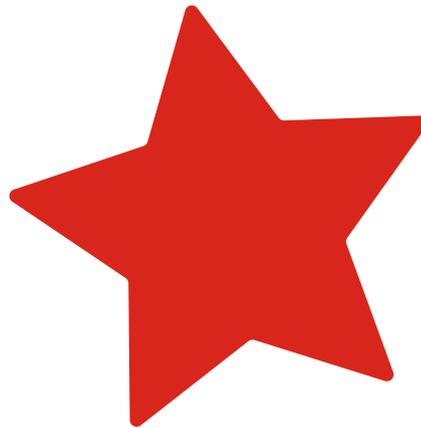

All resources are available in Welsh

Gina

Gina Bale
Creator of Littlemagictrain

Littlemagictrain™ helps you create a nurturing environment that encourages all children to participate.

We help you create an inviting, fully inclusive, environment through carefully designed sessions that engage children so they are ready to learn.

The Littlemagictrain™ takes the children on adventures, ranging from “under the sea” to “football on the Moon”, using music, make-believe and movement as children learn through play.

Here are some of the ways Littlemagictrain™ can help your children

Speech and language skills

Personal and social development

Emotional regulation and builds self-esteem and confidence

Knowledge and understanding of the world and yourself

Physical literacy

Mathematical development

Creativity and imagination

“They went from no words to sentences in a few weeks. We began with Littlemagictrain at the end of November and used it through to March. Then lockdown came. But in that short space of time, the children’s communication and language really took off.”

K. Greenwood
EYFS Lead, Moston Fields Primary School

Benefits for your setting and families

Littlemagictrain™ gives your setting a unique selling point to families as you are giving their children an interactive multi-sensory learning activity which is adaptable for all children's needs.

We are here to help you with parental engagement as they continue the learning adventure at home. Parents have access to our **FREE** resources to help reinforce the learning through fun and play.

Littlemagictrain also helps your team

Your team has expert training with Littlemagictrain™ providing them with the skills and resources to incorporate littlemagictrain™ in your setting. Your team will have continued support and guidance, this will help their motivation and planning whilst ensuring they feel confident.

Support is the vital part of Littlemagictrain. We are here for your team either on the phone, email, teams/zoom meetings, virtual sessions with the children or via our members Facebook group.

Your team will have 24hr access to additional online training resources, linked to the individual sessions, whenever they need them. We also help your team with planning with the learning activities linked to the sessions. Its all about making things easier, working around your needs, as we know how busy you are.

One size doesn't fit all!

We fully understand and appreciate, that different settings have different needs and support. We have therefore devised different training programmes to meet your early years settings needs.

Training

Support

Virtual Lessons

Training Videos

Just some of the fun additional activities we have created to help the children's learning.

Speech and Language activities

Games

Additional learning activities

Certificates

Creative activities

All Resources are available in **English and Welsh.**

Doing our bit for the environment

All resources are now available as a download, promoting the planet's welfare, as it reduces pollution with delivery, courier packaging and waste.

But if you still prefer printed resources, you can be safe in the knowledge that they are:

- Printed on 100% recycled paper without any plastic lamination or gloss.
- The bag is made from recycled plastic bottles.
- Reducing the footprint further, stickers are temporarily now removed from Littlemagictrain packs. We know how much they are loved and are on the lookout for a more planet friendly variety!
- CD's are currently included, if you don't wish to download the music. To give you time to invest in technology (as we know how expensive things can be) by the end of 2022 music CD's will not be available.

The big question: Are you ready to find out more?...

Your 'Thank You' Gift!

Claim your full **FREE** training experience and resource as a "thank you" gift to you.

All you have to do is go to www.littlemagictrain.com and then from the shop category "special editions" choose your favourite adventure. Email us at hello@littlemagictrain.com quoting **FREE SAMPLE** with the title of the session.

Within 72 hours you will receive **very own unique 100% discount code** to download the session along with linked training, activities and certificate for your very first Littlemagictrain adventure.

session today!

These people did! Let's see what they had to say...

“

The staff always join in and I can honestly say it's one of the best products we've ever invested in... no parts to break, and nothing for the children to argue over!

Nicky Sanford
Early Years Teacher Marcham Pre-school, Oxford

“The children in our Preschool are really enjoying the Little Magic Train sessions. Gina has been fantastic, during the introduction she explained how to use the resources and demonstrated how to deliver a session which was really helpful.

The children loved the virtual sessions, and it allowed the adults to deliver the sessions alongside with her taking a leading role. The practitioner notes and sessions plans are informative and easy to follow. Overall, we are really pleased with the package and are excited to see what the next journey will include!”

Rachel
Burleigh House Day Nursery, Newport, Wales

“I remember the first time I ever saw Littlemagictrain being delivered in one of our local pre-school settings. I walked into a room and 30 children were all pretending to be squirrels collecting nuts. No props, screens, only their little imaginations! It really was the most perfect sight. Something that needs to be encouraged. The children were also developing physical activity skills without knowing.

Littlemagictrain is such a fantastic resource and all the lessons are planned for you. The file makes this programme sustainable and Gina offers fantastic support to help you with delivery! Diolch yn fawr Gina for your support!”

Kate Parry
Healthy Pre-school Practitioner, Wales

“Littlemagictrain is a wonderful programme, allowing children to be creative in movement and imagination. I attended training a few years ago and loved it! Since COVID-19 we have managed to train staff via ZOOM. Both staff and children have thoroughly enjoyed having Gina weekly on our big television.

I would highly recommend a taster session. It’s a fabulous way of keeping children active, getting them to listen and follow an instruction. It also allows them to use their imagination and have fun in a very creative way.

The resources are super to! As a playgroup it is suitable for children as young as 2 years old. Highly recommended.

Amanda Standing
Manager, Standing to Grow Playgroup, Wales

“Gina has delivered wonderful zoom ‘Magic Train’ sessions with our nursery children. They have been very interactive, developing a variety of physical skills, and the children have thoroughly enjoyed taking part! Gina is enthusiastic and encouraging throughout. We would highly recommend her! Thank you so much x”

Burrows Nursery,
Porthcawl, Wales

“I thoroughly enjoyed this training and loved Gina’s experience and enthusiasm. I look forward to helping other staff and children enjoy this magical and wonderful experience.”

Jackie Davies
CWTSH Nursery, Wales

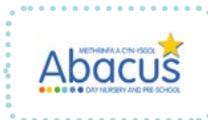

Fantastic training, tailored to exactly what we needed. Gina’s enthusiasm is infectious and staff can’t wait to get on board with the children and begin their magical adventures! Highly recommend.

Jackie Taylor
Eynsham Pre-school, Oxford

“At Abacus we are very lucky to be taking part in magic train sessions via zoom. I cannot thank Gina enough, the staff and children all look forward to our weekly sessions. Seeing the children’s faces light up each week is magical, this magic is then transferred to their parents on collection. Thank you Gina!!!”

Juliette Harris
Abacus Day Nursery and Pre-school, Wales

“I was at one of the settings yesterday, and they have run LMT sessions since last weeks training every day. We did a session with the children and the absolutely loved it.

They already knew the music, and actions and there was a genuine excitement when the train was mentioned. Sammy did a fantastic job leading the train, and was excellent as the lead storyteller!”

Gary Mahoney
Best Start Swansea, Wales

“Littlemagictrain has been a welcome addition to our activities at Fingers and Thumbs. The children really love the story about the three bears and everybody takes part in all aspects of the session. They get so excited when we visit the three bear’s house! The session covers all areas of development and the children have learned so much without actually being aware of the learning processes which are taking place.

The pack is also well laid out and it been really easy for staff to carry out the activities with the children. I am very glad I purchased the pack and look forward to the sessions each week.”

Caroline
Manager, Fingers and Thumbs Coity, Wales

“I know that most parents really enjoy a music or singing session, and some enjoy a dancing group – but I was noticing that the Littlemagictrain provides the whole deal with imagination and attention/understanding at different levels also thrown into the whole gambit! What a superb concept.

So - a quick reply to say that I think the programme is superb and although I am still at the learning stages – even if I make a little error, its seems to flow and the children, in the long run, will be benefitting from improved listening skills, physical co-ordination, communication and language skills, a love of being in a group – maybe as a leader improving self-confidence or as a participating member of a group, learning turn taking. All these skills can enable an easier transition for young children to starting at a preschool setting or foundation stage and help support the wonder of learning and the next steps.”

Barbara Crowther
Oxford Council Education and Early Intervention Team, Oxford

“Littlemagictrain has helped children to develop their confidence and desire to communicate, describe, understand and use new vocabulary. Each session engages all the children in the group and promotes language development through movement, imagination and play. By week 6 I observed clear improvement in attention, memory and narrative skills.”

Liz Shoreman
Senior Speech and Language Therapist and Manager, The Speech Bubble , Blackburn
